FOR IMMEDIATE RELEASE

MOVADO GROUP, INC. ANNOUNCES FIRST QUARTER EPS INCREASES TO \$0.11

PARAMUS, NJ - JUNE 1, 2006 -- MOVADO GROUP, INC. (NYSE: MOV), today announced first quarter results for the period ended April 30, 2006.

FIRST QUARTER FISCAL 2007

- - Net sales increased 11.4% to \$97.7 million compared to \$87.8 million last year.
- - Comparable store sales at the Company's Movado boutiques increased 4.5% versus a 3.2% increase in the year-ago period.
- - Gross margin improved to 61.0% compared to 60.2% last year.
- - Operating profit increased 60.5% to \$3.4 million compared to \$2.1 million in the year-ago period.
- - Net interest expense was \$0.1 million versus \$0.8 million last year:
 - Interest expense for the quarter was the same as the year-ago period, \$0.9 million, with average borrowings in the quarter of \$106.5 million at an average borrowing rate of 3.4%.
 - Interest income for the quarter was \$0.9 million due to short term investments of cash-on-hand resulting from the repatriation of foreign earnings under the American Jobs Creation Act. This compares to interest income of \$0.1 million in the year-ago period.
- - Income tax expense of \$0.6 million reflects a 17.5% tax rate in the first quarter compared to income tax expense of \$0.3 million, or a 25.0% tax rate, recorded last year. The favorable tax rate benefited first quarter diluted earnings per share by \$0.01 and reflects the further utilization of a Swiss net operating loss carryforward (NOL) acquired with the Ebel brand in fiscal 2005. The Company anticipates maintaining the 17.5% tax rate for the balance of fiscal 2007.
- - Net income and earnings per diluted share more than doubled to \$2.9 million and \$0.11, respectively, versus net income of \$1.0 million and earnings per diluted share of \$0.04 in the year-ago period.

Efraim Grinberg, President and Chief Executive Officer, stated, "We are very pleased with the strength of our first quarter performance, which continued to be driven by the appeal of our diverse portfolio of brands and the focused execution of our operating strategies. Fiscal 2007 was jump-started by an excellent response from our retail partners to the powerful array of new products debuted at the Basel Watch Fair. In our luxury category, Ebel sparked excitement with the introduction of Brasilia, an important new collection that is already showing encouraging initial sell-through."

Rick Cote, Executive Vice President and Chief Operating Officer, stated, "In addition to the robust sales performance in the first quarter, our global team demonstrated strong operating disciplines which translated into expanded gross margins and operating profit growth. We continue to invest behind our Movado Boutiques, the worldwide growth of Ebel and the development of our licensed brands. As we begin to reap the benefits of these investments, we expect to grow our operating margin through a combination of gross margin improvement and the leveraging of our existing infrastructure."

Movado Group increased its guidance for fiscal 2007 and now anticipates diluted earnings per share to range between \$1.53 and \$1.58. This new guidance continues to include an approximate \$0.08 per diluted share expense associated with the adoption of FASB 123R and the shift in the composition of the Company's equity-based compensation plan from options toward restricted stock. These projections compare with the Company's previously issued guidance for diluted earnings per share to range between \$1.35 and \$1.39. Approximately \$0.14 of the increase in guidance is based on projected benefits resulting from the further utilization of the Company's NOL, with the balance of the increase attributed to improved operating performance. The Company now estimates fiscal 2007 year-over-year net sales growth to be at the higher end of its previously issued range of 9% to 11%.

The Company's management will host a conference call today, June 1, 2006 at 10:00 a.m. Eastern Time to discuss its first quarter financial results. A live broadcast of the call will be available on the Company's website: www.movadogroup.com. This call will be archived online within one hour of the completion of the conference call.
