FOR IMMEDIATE RELEASE

MOVADO GROUP, INC. REPORTS Q3 NET SALES INCREASE 12%;
OPERATING PROFIT GROWS 19%

PARAMUS, NJ - DECEMBER 1, 2005 -- MOVADO GROUP, INC. (NYSE: MOV), today announced third quarter results for the period ended October 31, 2005.

THIRD QUARTER FISCAL 2006

- o Net sales increased 11.6% to \$141.7 million from \$127.0 million last year.
- o Comparable store sales increased 10.6% at the Company's Movado boutiques versus a 12.8% gain achieved last year.
- o Gross margin remained strong at 60.8%.
- o Operating profit increased 18.9% to \$19.0 million versus \$16.0 million last year.
- o Other income for the quarter of \$1.0 million included two unusual items: a gain of \$2.6 million generated from the sale of a building acquired with Ebel, which more than offset a loss of \$1.6 million associated with the accounting for foreign currency hedge derivatives.
- o Net income was \$14.1 million, or \$0.54 per diluted share. The net effect of the aforementioned unusual items benefited net income and diluted earnings per share by \$0.8 million and \$0.03, respectively. Net income was \$11.3 million, or \$0.44 per diluted share, in the year-ago period.

NINE-MONTH RESULTS

- o Net sales increased 15.3% to \$344.8 million from \$299.0 million last year.
- o Comparable store sales increased 5.0% at the Company's Movado boutiques versus a 16.7% gain achieved last year.
- o Gross margin was 60.6% compared to 59.7% in the year-ago period.
- o Operating profit increased 26.5% to \$33.4 million versus \$26.4 million last year.
- o Other income for the nine-month period of \$1.0 million included the aforementioned unusual items recorded in the third quarter of fiscal 2006. Other income of \$1.4 million recorded in the prior year period reflected the one-time gain associated with a legal settlement the Company reached with Swiss Army Brands.
- o Net income was \$23.7 million, or \$0.91 per diluted share, compared to \$19.1 million, or \$0.75 per diluted share, in the prior year period. Unusual items recorded in the nine-month period of fiscal 2006 and fiscal 2005 benefited diluted earnings per share by \$0.03.

Efraim Grinberg, President and Chief Executive Officer, commented, "In a period that presented several challenges including hurricanes and higher energy prices, we are very pleased with our overall results delivered in the third quarter. The power of our portfolio of brands enabled our company to deliver a solid 12% increase in sales and record an even stronger 19% increase in operating profit. Our Movado boutique business also gained momentum in the

third quarter, reinforcing our initiatives at retail and reflecting the strength of the Movado brand."

Rick Cote, Executive Vice President and Chief Operating Officer, stated, "Throughout fiscal 2006 we have focused on key areas where we have identified significant growth opportunities that require an increased level of investment, including the accelerated growth of ESQ, and the rebuilding of Ebel. Even as we continue to invest behind our brands and businesses, our balance sheet remains strong and provides us with excellent flexibility to continue executing our strategies."

Mr. Grinberg concluded, "As we head into the important holiday selling season, our brands are distinctly positioned at retail, in print, and on television. With terrific products, innovative advertising campaigns and comprehensive marketing programs, we are delivering a great amount of excitement into the marketplace, which should drive consumer purchases during the important gift-giving season."

On a GAAP basis including unusual items, Movado Group projects fully diluted earnings per share for fiscal 2006 to be in the \$1.21 to \$1.27 range versus \$1.03 earned in fiscal 2005. Included in this guidance is an estimated \$0.05 per diluted share expense related to the equity compensation of restricted stock. Excluding the aforementioned unusual items recorded in the third quarter of this year, as well as any potential impact associated with the American Jobs Creation Act (AJCA), the Company continues to project fiscal 2006 diluted earnings per share to be at the upper end of the \$1.18 to \$1.24 range. To the

extent that Movado Group repatriates any international earnings associated with AJCA, the Company would incur a one-time income tax charge. Net sales in fiscal 2006 are now expected to grow approximately 12% from last year.

Movado Group believes that presenting financial projections without unusual items provides a clearer picture of the Company's ongoing business.

The Company's management will host a conference call today, December 1st at 10:00 a.m. Eastern Time. A live broadcast of the call will be available on the Company's website: www.movadogroupinc.com. This call will be archived online within one hour of the completion of the conference call.
